I've been reading since grade 3 and started with book 2 that I was sure I wouldn't read until AFTER book 1 so I guess it was book 1 and 2

Book 1, the Dragonet Prophecy.I instantly fell in love with it and would read it every night. However, my favorite book would be 6, Moon Rising.

Which book made you a FanWing?

lightwings110

I loved from the first book, I've always been obsessed with dragons, but after 6 it started to get so awesome I couldn't even handle it. I LOVE MOON AND WINTER AND QIBLI and the connections in the WOF world become really well developed. Every time there was some revelation I was absolutely freaking out. Like WHAT HAILSTORM WAS THERE THE WHOLE TIME or FLAME IS THE DARKNESS OF DRAGONS?!?!?!?! Especially in the epilogue for book 6- the whole thing with scarlet's ally and the scroll thing? I don't even have the words for the feeling that produced... I'd have to yell a lot more for that...
